

FORGETS ALIMONY AND IS ARRESTED

OLIVER REEM HAS LAPSE OF MEMORY OVER MONEY MATTER AND GOES TO JAIL.

Wife Awarded \$15 a Month for Her Support in July, 1914, But No Payments Are Made.

Oliver Reem, arrested in Whiteside county and brought before Judge F. B. Ramsey in branch circuit court this morning, was unable to give reasons for not having paid alimony to his wife and was placed in the county jail for contempt of court orders.

On June 16 last year Mrs. Addie Reem was given a divorce from Oliver Reem. In her bill she asked for alimony for the support of herself and child and the court ordered Reem to pay her \$15 per month beginning on July 15, 1914, and payment to be made on the fifteenth of each succeeding month.

Paid Nothing. According to the woman he paid nothing to her and he was arrested in Whiteside county where he was located by a deputy sheriff on attachment for contempt.

It is said that an effort will be made by his friends to settle up with his wife for all back alimony in an effort to get him out of jail.

METROPOLITAN TROUPE TO PLAY FOR EAGLES

The Metropolitan minstrel company of Rock Island is faithfully rehearsing two times a week for the Eagles' benefit minstrel show to be held at the Grand theatre in Davenport, Sunday, March 21. Two performances will be given, matinee and night. As an added feature the minstrel stars of Davenport, Louis Roddick and Sheriff Eckhart, have been added as end men. These two funsters will no doubt make a big hit with the thrifty theatre goers. A new olio act, Jensen, Buhner and Martin, in "Lulu's Warm Rehearsal" has also been added, together with the Metropolitan quartet, composed of Messrs. Kiehl, Johnson, McQuinn and Curry.

WE DELIVER ANY MACHINE ON PAYMENT OF \$1

A BETTER SEWING MACHINE FOR LESS MONEY

Some people have long imagined that it was absolutely necessary when buying a sewing machine to buy one with a national reputation in order to be sure of buying a standard machine.

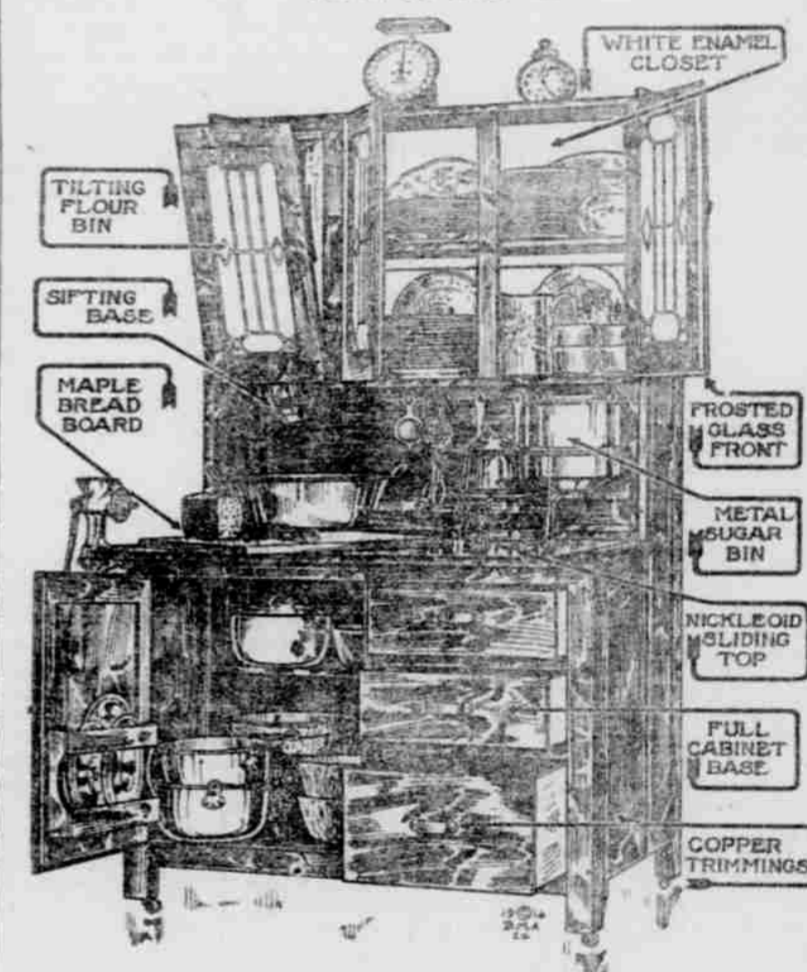

The fact that they were forced to pay from \$10 to \$20 extra for the name never occurred to them.

The shrewd housewife of today, when buying a sewing machine, buys a SEWING MACHINE and not a name, with the result that she is getting a better machine for less money and getting a great deal more satisfaction out of her machine.

Every machine we sell is backed by a manufacturer's guarantee.

act could easily take the place of three it is run as one of the five on the bill. The Marriott troupe, five whirlwind performers, including two women, present a sensational cycle vehicle and monoplane novelty. They perform many difficult feats. The three American Girls, in singing, talking and dancing, present a clean act with pretty costumes. Edward Barnes and Mabel Robinson, in bits of musical comedy, made a big hit at the show last night. The audience expected to see two juvenile actors, but in connection we might add that Barnes is at least six feet four inches in height, while Miss Robinson is not far behind him in size, and weighs at least 200 pounds.

Barnes works at the piano and Miss Robinson sings. Nana, the Parisian dancer, winds up the bill, with her able partner, M. Alexis. The stage setting to this act is beautiful, and both are accomplished dancers of the European school.
